Unwanted Goods:

We offer a 14 day return policy. Once you inform a member of our team, you can then return the order within 14 days of receiving the goods. This is under the following conditions:

- The item must be unused and in a resalable condition. Items that are returned to us that are used and/or not in resalable condition will not be refunded.
- Carriage charges for returning unwanted parcels or items ordered in error are at your expense, we cannot be held responsible for this.
- We recommend you use a traceable service. If you do not use a traceable service, there is a possibility the courier could miss deliver your goods and your order will not be relocated. We cannot be responsible for which courier you choose to return any items back with.

Once we receive your parcel back we will process it within 7 days. This may vary depending on the volume of returns at any one time.
